

# Sioux Steel Co./Koyker 2025 Starcentive Trip!

## Important Information on the Registration Process for the Starcentive Trip:

- 1) The official registration for the trip will take place at [www.starcentive.com](http://www.starcentive.com). You will see a "Register Now" link in the top navigation menu and also a button on the home page that says, "Register Now". Click on either of those "Register Now" buttons and it will take you directly to the registration page. **Your registration information will be going directly to Maritz Travel Company who will then work on booking your flights, so please make sure that everything you enter is completely accurate.** Maritz will contact you to book your flights within 14 days of registration. (Everyone who registers for a trip will be approved by Sioux Steel Company after you register. Your account must be paid in full with Sioux Steel before you will be approved for ticketing.)
- 2) **Registration on the website will open on Oct. 2<sup>nd</sup> at 1:30PM.** It will be a first come, first served basis. We recommend that you block out this time on your calendar to go to the website to register. Flights are limited flying into Cancun, so the sooner you register, the better chance you will have to get the best flight schedule available. Ticketing will take place in order of when registrations were received. **Registration will close on Oct. 11<sup>th</sup>, 2024 at 12:00P.M.** If rooms fill up faster than that, registration will close sooner.
- 3) To get prepared for the registration process, below is a list of things we will be asking you for. Most of these items will be "required fields," so you will not be able to skip them on the form. So, please have this information ready when you register. If an individual does not have some of these things, such as a cell phone or frequent flyer number, that is okay. However, if you do, we ask that you please complete that information.
  - ✓ Photo of you and your significant other (this is a Required Field and you will not be able to register without uploading a photo, so now is the time to get one that you like ready!)
  - ✓ Legal first, middle and last names as they appear on your passport (no nicknames)
  - ✓ Address and phone number
  - ✓ Official Dealership name
  - ✓ Email address of attendees (this is the form of communication that Maritz Travel Company will be communicating with you on your flights).

**IMPORTANT – Each couple MUST register using their own email address (one person cannot use the same email address to register multiple couples).**

  - ✓ Cell phone numbers of each person attending
  - ✓ Frequent Flyer numbers for American Airlines, United and Delta (*if you don't have these, that is ok*)
  - ✓ Birth dates of each person attending
  - ✓ Choices of airport

- 4) If you have qualified for multiple trips and are registering more than one couple, you will need to complete a separate registration form for each couple. **PLEASE DO NOT REGISTER THEM AS CHILDREN (you must start a new registration for each new couple).**
- 5) **The principal (owner, manager) of each dealership must attend before the trip can be offered to other employees at the dealership.**
- 6) You can qualify for a Starcentive land and air package when you meet the sales qualification specified for each option. Sales can come from Sioux and SCAFCO grain bins, livestock equipment, PRO•TEC buildings **and/or** Koyker loaders, bale caddy accumulators, attachments, grain baggers/unloaders, round bale transports, secondary containment, etc. This means if you are a dealer for both Sioux and Koyker, you can combine sales from both companies to help reach your goal.
- 7) **The dates of the Starcentive Trip are:  
Jan. 6<sup>th</sup>-12<sup>th</sup>, 2025**  
  
**-Includes airfare and 6 nights at Secrets Akumal in Riviera Maya, Mexico**
- 8) Cancellation fees will apply regardless of medical issues, deaths, family emergencies or any other reason. Once a dealer's travel plans are confirmed, hotel deposits will be paid on your behalf and airline tickets will be secured. If a dealer cancels, all penalties imposed by the airlines and hotel will be passed on to the dealer. If a dealer cancels and airline tickets have been issued, the dealer will also be taxed on the value of the trip.
- 9) We have a website with detailed information about the trip at [www.starcentive.com](http://www.starcentive.com). You can also check out the resort website at <https://www.hyatt.com/en-US/hotel/mexico/secrets-akumal-riviera-maya/searm>
- 10) **You will need to make sure that your account with Sioux Steel has been paid in full before you can register for the trip. You will NOT be allowed to attend the Starcentive trip if your account is not current and in good standing.**
- 11) Qualification for the trip does not guarantee a trip. Sioux Steel reserves the right to determine the final invitee list up to the day of the trip. Sioux Steel shall make every effort to be inclusive, but is not obligated to provide the trip or any other compensation or benefit in lieu of a trip, even if registration has already occurred. Sioux Steel must consider factors that are beyond the company's control, such as limitations in accommodations, health or travel restrictions. Sioux also retains discretion to determine if a dealer is in good standing, whether there are amounts overdue or disputed, or other significant issues that remain unresolved at the time of the trip.
